REG.NO.: 454-01-21-1

Pula, 25.08.2021.

FOR UNIVERSITIES / INSTITUTES / ORGANIZATIONS  
ABOUT PARTICIPATION IN THE 4th INTERNATIONAL  
SCIENTIFIC AND PRACTICAL CONFERENCE  
«SINGLE EDUCATIONAL SPACE IN  
THE CONDITIONS OF DIGITAL TRANSFORMATION»

Sincerely, we inform you that the Juraj Dobrila University of Pula (Croatia) jointly with the PAR University (Croatia), E-Science space (Poland) and the Center of Strategic Initiatives and Progressive Development (Ukraine) in order to intensify cooperation with the educational community a member states of the European Union, holds the 4-nd scientific and practical conference «SINGLE EDUCATIONAL SPACE IN THE CONDITIONS OF DIGITAL TRANSFORMATION», and an international internship.

We have the honor to invite representatives of your institution to participate in the international event in accordance with the conditions specified. The event is planned to be in in of-line mode.

The event will be in September 17 - 25 in Poreč, Croatia.

Participation in the 4nd scientific and practical conference «SINGLE EDUCATIONAL SPACE IN THE CONDITIONS OF DIGITAL TRANSFORMATION» will allow: the development of multilateral academic ties with foreign partner universities, as well as the European Certificate of International Internship, in the format of 5-ECTS signed by the organizers and co-organizers of the conference, as well as the English-language addition to it in the direction of professional activity.

We would like to emphasize that each participant will incur expenses connected with conduction of the Conference, independently.

We invite employees **Sumy State Pedagogical University named after AS Makarenko**, to take part in these events, according to the list:

1. ANDRII KUCHUK - Professor at the Department of Law and Methods of Teaching Law;
2. SHESTOPALOV ROMAN - senior lecturer at the Department of Law and Methods of Teaching Law.

We are convinced that the participation of the representative of your institution in the work of the International Internship will contribute to assiduous discussion of the actual problems of the development of science and education which have not only scientific but also practical orientation.

*Kind regards,*

University Juraj Dobrila at Pula

Alfio Barbieri, Ph.D., Rector
